DVD EZMaker USB Gold

Analog USB Video Capture Recorder for your PC!

Your Personal Multimedia Control Center

AVer MediaCenter

TV

Enjoy Multimedia Entertainment from the Comfort of your Sofa

Aver MediaCenter takes PCTV software to a new level and offers a user-friendly 10-foot UI adapting to your Digital home lifestyle.

USA and Canada only: Order optional AVerMedia MCS remote control (SKU # MPMCSRCKW) from AVerMedia e-Store at: www.avermedia-usa.com/AVerTV/estore/estore.html

TV An easier way to capture Digital and Analog content from a variety of AV sources such as Set-top-boxes, Gaming Consoles, Camcorders and VCR's.

Music AVer MediaCenter offers an intuitive way to listen to your music from files and folders by date, name, or format. Easily access your personal digital music library, play it as background music while viewing slideshow photos or using other functions on your computer.

Easily customize your viewing experience

- PIP / PBP Setting allows the viewing of multiple channels simultaneously
- Single / Sequential Snapshot
- Customized Color Adjustments
- Media Files Management
- Complete Channels Scan Capability
- Smart Power Saving Management
- Record TV Programs in MPEG-1/2/4* Format

Video It offers an intuitive way to view your video files and folders by date or by name, providing an interactive video playback experience.

Pictures Users can capture images from any source, including analog TV, digital broadcast, camcorder or VCRs. Consecutive snapshots or photos can then be viewed as a slideshow with background music and stylish effects.

Support real-time H.264 recording and playback on your iPod

Real-time H.264 recording and playing provides higher compression rate and high video quality for saving more than 4X hard disk space comparing with MPEG-2 format. Moreover, it can support up to 320 x 240 iPod video format recording, allowing you to enjoy your favorite shows on your iPod.

Note:

DVD EZMaker USB Gold is designed not to capture, convert or transmit video or audio from any Copyright Protected sources or devices (HDCP devices & Macro Vision protected content).

AVerMedia's Quality Commitment

AVerMedia's products are not only compliant with RoHS/WEEE Directives, but we conduct EMI and safety countermeasures to ensure consumers' health and environment protection. All products are available with lead-free finishes and are flame retardant.
