(Please visit our website for detailed information)

■ The AVerVision300p is the FIRST 3 mega pixel resolution portable document camera offered for under \$1000! Featuring the proprietary and exclusive 2X AVERZOOM™ (optical zoom equivalent by AVerMedia's patent pending technology) plus 8X Digital Zoom, the AVerVision300p combines high quality and innovative technology with unmatched functionality at an affordable cost. Designed to display any document, 3D object, microscopic image or negative/x-ray, the AVerVision300p offers extreme versatility with exceptional ease of use. Backed by an unbeatable five-year warranty and AVERCPR™ program, your presentation investment will be sound for years to come. Other highlights include image capture/storage, mirror, negative-to-positive, rotation and freeze functions. Connecting to any LCD/DLP projector or monitor, the AVerVision300p will take your presentation to the next level.
