

# AVerVision 150

Portable Document Camera

## Product Description

The AVerVision150 portable document camera not only produces crystal clear images with the three mega pixel sensor, but includes many additional features to enhance virtually any classroom lesson or demonstration. The ability to capture and store up to 32 images to the document camera and can be transferred to any computer allows teachers to save and revisit lesson material while the two times AVERZOOM combined with four times digital

zoom and pan clearly shows object details or smaller text for a total of eight times magnification. Images can be captured and video recorded directly to a PC or MAC with the included AVerVision software. Optional microscope adaptors allow virtually any microscope to be connected to the AVerVision150 to show the smallest microscopic detail on a large screen.

## Feature Highlights

# 3.0MP

unsurpassed image quality with an industry leading 3.0 mega pixel sensor

# averzoom

exclusive zoom technology with optical zoom quality and the ability to pan

# memory

built-in memory stores up to 32 JPG images

## Product Specifications and Package Content

<b>image sensor</b>	1/2" CMOS color sensor	<b>video output</b>	S-Video, composite
<b>pixel count</b>	3.0 mega pixels	<b>rs232</b>	yes, with adapter
<b>frame rate</b>	24 fps (max)	<b>usb port</b>	yes
<b>output resolution</b>	1024 x 768 XGA	<b>light module</b>	yes
<b>optical zoom</b>	2X AVERZOOM™	<b>mounting base</b>	n/a
<b>digital zoom</b>	4X	<b>carrying bag</b>	n/a
<b>lens</b>	F=3.0	<b>operating temperature</b>	32°F to 104°F
<b>focus</b>	manual	<b>dimensions</b>	8.6" x 5.5" x 22.4" (setup), 15" x 6.6" x 2.2" (folded)
<b>white balance and exposure</b>	auto/manual	<b>weight</b>	4.4 lbs
<b>color/B&amp;W</b>	yes	<b>power source</b>	AC 100 to 240V, 50/60 Hz
<b>negative/positive conversion</b>	yes	<b>certifications</b>	FCC, UL (power adapter)
<b>night view</b>	yes	<b>warranty on main unit</b>	3 year limited warranty All warranty applies to parts & labor only
